TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other:

The applicants are cordially thanked for the 'Supplemental Amendment' (submitted 3 February 2006) to the 'Notice of Non-Compliant Amendment' (mailed 24 January 2006). However, the applicants' 'Supplemental Amendment' is again deemed non-compliant at least for the following reasons:

The applicants' 'Supplemental Amendment' (submitted 3 February 2006) provides an 'Amendments to the Claims' section which improperly incorporates claim language changes previously proposed in the non-compliant 'Reply and Amendment' (filed 14 March 2005).

For instance, independent claim 14 was provided with the 'Currently Amended' status identifier in the non-compliant 'Reply and Amendment' (filed 14 March 2005), and sought to add at least the marked-up text of, "as said members move within the defined environment" to line 14 of the claim (see page 4 of the 'Reply and Amendment').

In contrast, the new copy of claim 14 included with the applicants' 'Supplemental Amendment' (submitted 3 February 2006) is provided with the (incorrect) 'Previously Presented' status identifier and (improperly) includes the non-marked-up text of, "as said members move within the defined environment" in line 14 of the claim (see pages 3-4 of the 'Supplemental Amendment'). See at least amended claims 15 and 27, and new claims 39 and 40 for additional such examples of non-compliance.

As the 'Reply and Amendment' (filed 14 March 2005) has been deemed non-compliant, the 'Amendments to the Claims' section provided at that time was not officially accepted.

The applicants are respectfully encouraged to submit a brand new copy of the entire 'Amendments to the Claims' section properly reflecting any changes (via appropriate marked-up text and accurate status identifiers) relative to the immediate prior version (see the 'Reply and Amendment' filed 21 June 2004).

By such reasoning, this Notice of Non-Compliance is deemed necessary and proper at this time.

Please note: The claims have not been checked to the extent necessary to determine the presence of all possible non-compliance errors. If additional issues of non-compliance are discovered in a subsequent amendment, yet another Notice of Non-Compliant Amendment will be necessitated. Applicants' cooperation is requested in correcting any other errors of which applicants may become aware in the claims.

The applicants are hereby notified that the examiner's art unit has recently changed from Art Unit 2673 to Art Unit 2629, please direct all future correspondence accordingly. Thank you.
